Good Paragraph

段

題目 Topic:

Three professionals – a standup [棟篤笑] comedian [喜劇演員], a social worker and an editor of a youth magazine – have spoken in a seminar [座談會] about the relationship between more open attitudes towards sex and the influence of the Internet. Write an article about how you feel about the views of each speaker for your school newspaper.

Introduction

Noticing the effect of the frequent leaks of indecent [不雅] photos of individuals online, we are all shocked by the power of the Internet. **In the face of** the great impact of online file sharing, how should we react to the widespread pornography [色情圖像] online? In the seminar discussing the relationship between casual attitudes towards sex and the

Internet, a famous standup comedian, an experienced social worker and an editor of a youth magazine have given their inspiring views on the topic. **In an attempt to** understand the subculture on the Net, an in-depth analysis is really needed.
